SUMMARY

Aspiring web developer with strong skills in Python, Django, MySQL, and front-end technologies. Familiar with building scalable web applications and working with APIs. Passionate about building efficient web applications and improving through hand-on development. Seeking opportunities to contribute and grow in a collaborative development environment.

TECHNICAL SKILLS

Languages: Python, JavaScript, HTML5, CSS3

Backend: Django, REST API integration

Database: MySQL, SQLite

Frontend: Responsive UI

Tools: Git, GitHub, VS Code

EDUCATION

MCA – University of Madras 2025 – 2027(pursuing)

BCA – Ethiraj College, Univ. of Madras 85.82% · 2025

HSC – Brotherhood Matric Hr. Sec. Schol 88.87% · 2022

CERTIFICATIONS

- Programming, Data Structures & Algorithms in Python – NPTEL, IIT Madras
- Data Analysis & Visualization using MS office

PROJECTS

AI Cultural Etiquette Advisor

Python · Django · MySQL · SQLite · Gemini API · NLP · JavaScript

- Build a context-aware AI chatbot delivering real-time cultural etiquette guidance across 50 – 100 structured categories, using a database-first architecture that prioritizes local MySQL/SQLite data before falling back to the Gemini API – reducing unnecessary API calls and improving response speed
- Engineered session-based context memory and NLP-based intent detection to maintain location awareness across multi-turn conversations
- Designed a fully responsive Glassmorphism UI with custom visual theming; managed environment configuration via .env files and version-controlled the full codebase on GitHub.

Art Vault Auctions – Full-stack Online Auction Platform

Python · Django · MySQL · JavaScript · HTML5 · CSS3 · Git

- Independently designed and developed a full-stack web application with 8 – 10 functional pages including real-time auction bidding and artist upload features, delivered over 2-3 months using Django, Python, and MySQL.
- Built reusable UI components in HTML, CSS, and JavaScript; debugged front-end and back-end issues across all pages for a cross-browser compatible experience.
- Implemented an automated email notification system

ACHIEVEMENTS

- Ranked 1st – Python Coding Competition, Madras Christian College
- Ranked 1st – ERROR-404 Debugging Competition, Ethiraj College for Women
- Placed 3rd – Debugging Contest, Women’s Christian College
- Ranked 1st – Doodling Competition, Ethiraj College for Women

LANGUAGES

- English (fluent)
- Tamil (native)
- Hindi (reading proficiency)
